Trade Ocean's strapline of **'Taking Ownership'** is more than just a creative whim. It is our **promise to our clients.**

Trade Ocean's strapline of 'Taking Ownership' is more than just a creative whim. It is our promise to our clients. Our greatest pride is acknowledging employees who face a challenging situation, take ownership of it and deliver, often despite the odds. We are fully aligned to our promise, which is reflected in attitudes, behaviour, measurement, systems and processes.

The quarterly Brand Master awards are highly sought after, providing an ongoing reminder of what we stand for and what our clients deserve.

Our belief in what we do and why we do it is what sets Trade Ocean apart.

- David Jooste, CEO.
